MASTER'S HOUSE " PRINCESS MARY " FOR SALE IN MONTE SAN MARTINO (MC)

Old house, sitting near the town walls which has also been used as a hotel in the past , for its central and panoramic setting. The town is one of the nicest and carateristic of the region , perched on a hillside at only 35 km from the sea and 20 km to the Sibillini mountains, really sought after especially by foreigners and famous for hosting the works of Crivelli....

The house is in the heart of the historic centre and it comes up with frescoed ceilings, large cellar and 3 large terraces with breathtaking views across the whole chain of Sibillini mountains and the pleasant countryside of Fermo.

Potential to split the house into several units, favoured by the 3 entrances it has.

Home of some historical interest for those who want to experience signs of lived history.
